STARFLEET COMMAND'S SEVENTH FLEET

Command Project Proposal

Name: _____ *Date:* _____

This proposal is only accepted if all official signatures have been acquired.
Do not start a project without first obtaining all required signatures.

Guidelines:

1. All projects must involve command and guidance of other individuals.
2. This cannot be an individual project.
3. Project should benefit humanity or chapter and have a positive impact for club members involved.
4. Complete records of time involved, finances and accomplishments must be maintained.
5. All records and documents must be submitted for evaluation upon completion of the project.
6. It is recommended that officer submitting proposal be a Lt Jg or higher rank but is not required.
